

Frontiers in Digestive Research and Practice

Name	Kwanseop Lee
Affiliation	Dept of Radiology, Hallym University Sacred Heart Hospital
Country	Korea
Major Field	Ultrasonography

Educational Background

1986 Kyung Hee University Medical School
1987-1990 Residency at Kyung Hee Medical Center

Professional Experience

1992- Present: Assistant, Associate and Professor of Radiology at Hallym University Medical School

Main Scientific Publications
