

Name	Yousuke Nakai
Affiliation	Department of Internal Medicine, Institute of Gastroenterology, Tokyo Women's Medical University
Country	Japan
Major Field	EUS, ERCP, oncology in pancreatobiliary diseases

Educational Background

He graduated from Faculty of Medicine, The University of Tokyo in 1993, and subsequently completed the doctoral program of Graduate School of Medicine, The University of Tokyo in 2007.

Professional Experience

After Graduation from the University of Tokyo, he worked at the University of Tokyo Hospital and affiliated hospitals. He had a fellowship at University of California, Irvine from 2010 to 2012 and learned EUS from Prof. Kenneth J Chang. He is now a professor of Department of Internal Medicine, Institute of Gastroenterology, Tokyo Women's Medical University
